

Patty, our mother is in a nursing home in Oakland, Iowa. She has dementia. My two sisters have power of attorney. Questions: does the family decide for my mother. which medicade contract she will be under or does the nursing home decide for all of their residence? What happens if no action is taken? Is she under a contract by default? Will it cost her anything? Thank you.  
Sincerely, Wayne Clark LMFT 964 119
